### iPhone SE 2020

iPhone SE 2020 is a budget-friendly smartphone from Apple. It features a 4.7-inch Retina HD display, a single camera, and a compact design. The phone is available in two colors: Midnight and Starlight. The base model starts at \$399, while the 128GB model costs \$499. The 256GB model is priced at \$599. The iPhone SE 2020 is powered by the A15 Bionic chip, which provides excellent performance. It also features a long-lasting battery that can last up to 18 hours of video playback. The phone is water-resistant and has a durable aluminum case. The iPhone SE 2020 is a great choice for anyone looking for a reliable and affordable smartphone. It offers a great balance of performance, battery life, and price. The phone is also a great choice for anyone who wants a compact and easy-to-use device. The iPhone SE 2020 is a great choice for anyone who wants a reliable and affordable smartphone. It offers a great balance of performance, battery life, and price. The phone is also a great choice for anyone who wants a compact and easy-to-use device.
